INTERVIEW SUMMARY

Applicant's representative thanks Examiner Tran for the productive and cordial telephone interview conducted July 16, 2009 with Applicant's representative, Mr. David W. Boyd. During the interview, Applicant proposed canceling claims, 24-40, 43, 45-66, and 77, in order to place the application in condition for allowance, and filing a continuation application to pursue the subject matter of these claims. Filing requirements for the proposed continuation application were discussed in a general manner. No prior art was discussed, and the claims were not discussed individually. It was agreed that this approach would place the present application in condition for allowance.

An amendment was filed July 24, 2009, canceling these claims.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,

David W. Boyd
